MSCA Staff Exchanges

The Staff Exchanges action funds short-term international and inter-sectoral exchanges of staff members involved in research and innovation activities of participating organisations. The aim is to develop sustainable collaborative projects between different organisations from the academic and non-academic sectors (in particular SMEs), based in Europe and beyond.

Exchanged staff benefit from new knowledge, skills and career development perspectives, while participating organisations increase their research and innovation capacities.

Staff Exchanges are open to international consortia of universities, research institutions, businesses, SMEs and other non-academic organisations. They need to include

- at least three organisations in three different countries, two of which need to be located in a different EU Member State or Horizon Europe Associated Country
- above this minimum, the participation of organisations from any country is possible
- if all participating organisations are from the same sector (academic or non-academic), at least one must be from a non-associated Third Country

Staff Exchanges projects can last up to four years. The grant funds the mobility of seconded staff members from one month to one year.

Staff exchanges between organisations in EU Member States or Horizon Europe Associated Countries are required to be between different sectors (academic or non-academic), except if they are interdisciplinary. For partnerships with non-associated Third Countries, exchanges within the same sector and the same discipline are allowed.

Staff funded by Staff Exchanges

- can be researchers at any career stage, from PhD candidates to postdoctoral researchers, as well as administrative, technical or managerial staff involved in research and innovation activities

- can be of any nationality
- must be engaged in, or linked to, research and innovation activities at their sending organisation for at least one month prior to the secondment
- should return to their sending organisation after the secondment, to pass on their knowledge and foster collaboration

Deadline: 08 October 2025 17:00:00

MSCA COFUND 2025

MSCA COFUND co-finances new or existing doctoral programmes and postdoctoral fellowship schemes with the aim of spreading the best practices of the MSCA including international, inter-sectoral and interdisciplinary research training, as well as international and cross-sectoral mobility of researchers at all stages of their career.

In practice, MSCA COFUND provides complementary funding for doctoral or postdoctoral programmes managed by entities established in EU Member States or Horizon Europe Associated Countries. Those co-funded programmes must follow MSCA's good practice in terms of international recruitment and minimum standard of employment for the recruited fellows as described in the European Charter for Researchers.

Proposed programmes can cover any research disciplines ("bottom-up"), but exceptionally can also focus on specific disciplines, notably when they are based on national or regional Research and Innovation Strategies for Smart Specialisation (RIS3 strategies). In this case, the range of covered disciplines should allow reasonable flexibility for the researchers to define their topic.

COFUND takes the form of:

- A) Doctoral programmes
- B) Postdoctoral Programmes

Deadline: 24 June 2025

[Further information](#)

CETP Call 2025

The CETPartnership is a multilateral and strategic partnership of national and regional research, development and innovation (RDI) programmes in European Member States and Associated Countries, aiming to boost and accelerate the energy transition and to support the implementation of the European Strategic Energy Technology Plan (SET Plan).

The CETPartnership is an initiative co-funded by the European Union that brings together public and private stakeholders in the research and innovation ecosystems, from European and non-European countries and regions. CET Partnership aims to foster transnational innovation ecosystems and overcome a fragmented research and innovation landscape.

Brief descriptions of the 2025 calls for proposals, which will open on June 1, 2025, are available. The submission deadline is expected to be in October.

[The CETPartnership Joint Call 2025 | CETPartnership](#)

[Call Module 2025-01: Multi-vector interactions between the integrated energy system and industrial frameworks | CETPartnership](#)

[Call Module 2025-02: Energy system flexibility: renewables production, storage and system integration | CETPartnership](#)

[Call Module 2025-07: Integrated regional energy systems | CETPartnership](#)

[Call Module 2025-08: Integrated regional energy systems | CETPartnership](#)

[Call Module 2025-09: Clean energy integration in the built environment | CETPartnership](#)

Creative Europe – Culture – Cooperation projects

With a budget of around €60 million, the action will foster cooperation between organisations active in the field of culture, to increase the cross-border dimension of creation and circulation of European artistic content. It will also encourage the development, experimentation, dissemination, and application of new and innovative practices.

The action will support at least 130 projects.

The deadline for applications is 13 May 2025.

European cooperation projects are open to all the cultural and creative sectors. However, considering that this action is part of the Culture strand of Creative Europe, projects with exclusive audio-visual content and/or exclusively composed of organisations from the audio-visual sector are not eligible to apply.

The call covers three (3) topics/categories, depending on the scale of the project(s):

- Small scale: 3 partners, 3 countries, 200 000 EUR max EU grant, 80% EU co-funding
- Medium scale: 5 partners, 5 countries, 1 000 000 EUR max EU grant, 70% EU co-funding
- Large scale: 10 partners, 10 countries, 2 000 000 EUR max EU grant, 60% EU co-funding

[Further information](#)

COST - European Collaboration in Science and Technology

Participants are invited to submit COST Action proposals contributing to the scientific, technological, economic, cultural or societal knowledge advancement and development of Europe. Multi- and interdisciplinary proposals are encouraged.

The funding a COST Action receives covers the expenses of networking activities rather than research. As such is used to organise and fund events, Short-term Scientific Missions, Training Schools, communication activities, and virtual networking tools. An estimated €125,000 is made available for a COST Action in its first year and an average of €150,000 per year for the other 3 years.

Deadline: 21. October 2025.

Participation in COST Actions has led to significant results and follow-up in terms of the number of proposals submitted for collaborative research in Framework Programmes, with a success rate which more than triple the average success rates for these programmes (37% success rate). By funding networking, COST acts as a pre-portal for further research and innovation funding such as Horizon Europe, the European Union's Framework Programme for Research and Innovation.

You can join ongoing COST Actions as well.

Further information: <https://www.cost.eu/>

Clean Hydrogen Joint Undertaking: 2025 Calls

The European Commission published the 2025 calls for proposals for the Clean Hydrogen Joint Undertaking on 19 January.

A total of €184.5 million is available for applications in 19 calls in 6 areas (renewable hydrogen production, hydrogen storage and distribution, heat and power, transport, cross-cutting issues, hydrogen valleys).

The calls are available [here](#).

The recording of the Commission's info day on 22 January (calls and presentation of the call for proposals) is available [here](#).

Deadline for submission: 23 April 2025 17:00

Innovative Health Initiative Call 9

IHI call 9 is a single-stage, applicant-driven call with topics aligned with the specific objectives of the IHI Strategic Research and Innovation Agenda.

The call contains five topics, each focusing on one of the five IHI Specific Objectives (SOs) as set out in the [Strategic Research and Innovation Agenda](#) (SRIA):

- [Topic 1 \(SO1\): Boosting innovation for a better understanding of the determinants of health](#)
- [Topic 2 \(SO2\): Boosting innovation through better integration of fragmented health R&I efforts](#)
- [Topic 3 \(SO3\): Boosting innovation for people centred integrated healthcare solutions](#)
- [Topic 4 \(SO4\): Boosting innovation through exploitation of digitalisation and data exchange in healthcare](#)
- [Topic 5 \(SO5\): Boosting innovation for better assessment of the added value of innovative integrated healthcare solutions](#)

For full details of the topics, including the budget breakdown, read the [call text](#). All documents relating to the call can be found via the [Funding and Tenders Portal](#) and the [IHI call documents page](#). We advise you to read these documents, in particular the guide for applicants, carefully.

Full proposal submission deadline: 29 April 2025 at 17:00 Brussels time

[Further information](#)

Innovative Health Initiative 10

IHI call 10 is a two-stage call with topics on digital labelling of medical technologies; the European Health Data Space; and PFAS in the healthcare sector.

Topics

- [Topic 1: Digital label: one source of comprehensive information for medical technology products](#)
- [Topic 2: Enabling and safeguarding innovation in secondary use of health data in the European Health Data Space \(EHDS\)](#)
- [Topic 3: Per- and Poly-fluoroalkyl substance \(PFAS\) exposure, emissions, and end of life management in the healthcare sector](#)

For full details of the topics, including the budget breakdown, read the [call text](#). All documents relating to the call can be found via the [Funding and Tenders Portal](#) and the [IHI call documents page](#).

Deadlines:

- Short proposal submission deadline: 23 April 2025 at 17:00 Brussels time
- Full proposal submission deadline: 14 October 2025 at 17:00 Brussels time

[Further information](#)

Wellcome Foundation - Climate Impacts Awards: Unlocking urgent climate action by making the health effects of climate change visible

The aim of this scheme is to make the impacts of climate change on physical and mental health visible to drive urgent climate policy action at scale. Wellcome Foundation will fund transdisciplinary teams to deliver short-term, high-impact projects that maximise policy outcomes by combining evidence generation with influencing and engagement strategies.

In scope:

- Proposals where the primary focus is on the current or future direct and environmentally mediated physical or mental health outcomes attributable to climate change (Haines and Ebi 2019 for definitions), making the health effects of climate change visible
- Proposals that include the three key elements of:
 - an evidence gap that can be filled in the short time available
 - a clear policy pathway to influence change
 - an engaged research approach with key stakeholders identified (including a communication strategy)

Lead applicant career stage: mid-career researcher, established researcher;

Administering organisation location: anywhere in the world (apart from mainland China);

Funding amount: up to 2.5 million GBP;

Funding duration: up to 3 years;

Coapplicants: accepted.

Deadline: 30 April 2025

Further information: <https://wellcome.org/grant-funding/schemes/climate-impacts#research-costs-we-will-cover-f0f1>

Visegrad Grants -Visegrad Grant, Visegrad Grant+, Strategic Grant

Visegrad Fund annually allocates approximately EUR 10 million to hundreds of Visegrad cooperation projects and mobility programs across Central and Eastern Europe. The project should be implemented in a consortium.

Visegrad Grant

The international consortium should be composed from at least 3 V4 countries OR Bilateral cross-border cooperation of at least 2 organizations from 2 neighboring V4 countries also qualify for support with projects taking place within a 40-km radius from the border and focusing on a local issue.

Projects must address at least one of the objectives of the grant program's seven focus areas: Culture and Common Identity; Education and Capacity Building; Innovation, R&D, Entrepreneurship; Democratic Values and the Media; Public Policy and Institutional Partnership; Regional Development, Environment and Tourism; Social Development.

Visegrad Grant+

Active involvement of at least 3 V4 countries and 1 entity from the Eastern Partnership region (EaP) or the Western Balkans countries (WB) at minimum (3xV4 + 1xEaP/WB format). However, if the applicant is from one of the EaP or WB countries, it is enough to involve two V4 countries in the project consortium, if another EaP/WB country is also involved (2xV4 + 2xEaP/WB format).

Projects must address at least one of the objectives of the grant program's seven focus areas: Culture and Common Identity; Education and Capacity Building; Innovation, R&D, Entrepreneurship; Democratic Values and the Media; Public Policy and Institutional Partnership; Regional Development, Environment and Tourism; Social Development.

Strategic Grant

Projects must be developed by organizations from all V4 countries.

Projects must clearly address one of the annual strategic priorities of the Visegrad Group. Strategic priorities in 2025: Promoting volunteering in the V4 region, Promoting shared values, Supporting water management and flood protection cooperation in the region.

Although Visegrad, Visegrad+ and Strategic Grants have no strict limitation for the size of the financial support you can apply for, the average project budget does not exceed €30.000. Each submitted proposal is evaluated on its merit, taking into account the potential outreach and impact of the project, the elaboration of the grant budget in the "Outputs" section and adherence to the "value-for-money" principle.

Deadlines: every year – 1 Feb / 1 Jun / 1 Oct

further information: [Visegrad grants](#)

Interreg Hungary-Slovakia

According to the timetable of calls for proposals Interreg Hungary-Slovakia will publish its next Call for proposals in May 2025.

Involved actions: Resource and waste management, Short supply chains, Social innovations for disadvantaged and vulnerable groups, Inclusive and quality education, Family- and community-based health care services, Cross-border development of healthcare institutions.

The type of call will be one-round and open.

Allocation: 28.000.000 EUR

Estimated date of publishing: May 2025.

Estimated date of submission: September 2025.

Further information: <https://www.skhu.eu/?lang=hu#flipbook-p1>

Pályázat a Horizont Európa Partnerségek közös Nemzetközi Pályázati felhívásaiban sikeresen szereplő Magyar szervezetek számára (2024-1.2.1-HE_PARTNERSÉG)

A pályázat célja az EU Horizont Európa kutatási és innovációs keretprogram által társfinanszírozott és az NKFI Hivatal részvételével zajló európai partnerségek közös nemzetközi pályázati felhívásaiban sikeresen szereplő magyar szervezetek számára a hazai finanszírozási keretet biztosítása.

A pályázatonként igényelhető támogatás a nemzetközi bírálaton elnyert támogatás összegét nem haladhatja meg.

Alprogramok és a rendelkezésre álló éves keretek összege:

- Biodiversa+: 250 000 EUR (96 375 000 Ft)
- Water4All: 330 000 EUR (127 215 000 Ft)
- CETP: 1,165 millió EUR (449 107 500 Ft)
- DUT: 300 000 EUR (115 650 000 Ft)
- ERA for Health: 300 000 EUR (115 650 000 Ft)
- EP PERMED: 500 000 EUR (192 750 000 Ft)

A fenti források az egyes alprogramok (partnerségek) között átcsoportosíthatóak figyelemmel a benyújtott támogatási kérelmek nemzetközi elbírálás során megítélt összegére

Beadási határidők: 2025. április 30., június 30 és október 15. 16 óra.

A támogatási kérelem benyújtására csak olyan pályázó jogosult, aki:

- a mindenkori európai partnerség értékelési rendszere alapján előzetesen támogatásra javasolt közös nemzetközi projekt konzorciumának magyar tagja, vagy
- a mindenkori európai partnerség értékelési rendszere alapján támogatásra javasolt közös nemzetközi projekt konzorciumához utólagosan csatlakozó magyar résztvevő.

További információ: [1.2.1 HE Partnerség](#)

Pályázat az ERA-NET COFUND, EJP COFUND és egyéb multilaterális programok közös Nemzetközi Pályázati felhívásaiban sikeresen szereplő Magyar szervezetek támogatására (2024-1.2.2-ERA_NET)

A pályázat célja az EU Horizont 2020 kutatási és innovációs keretprogram által társfinanszírozott és az NKFI Hivatal részvételével zajló ERA-NET COFUND, illetve European Joint Programme COFUND (EJP COFUND) programok, illetve ezen programok működési mechanizmusát követő egyéb multilaterális programok közös nemzetközi pályázati felhívásaiban sikeresen szereplő magyar szervezetek számára a hazai finanszírozási keretet biztosítása.

A pályázatonként igényelhető támogatás a nemzetközi bírálaton elnyert támogatás összegét nem haladhatja meg.

Alprogramok és a rendelkezésre álló éves keretek összege:

- CHIST-ERA IV: 231 300 000 forint (600 000 EUR)

- EJP SOIL: 115 650 000 forint (300 000 EUR)
- FLAG-ERA II: 231 300 000 forint (600 000 EUR)
- QuantERA: 173 475 000 forint (450 000 EUR)
- M-ERA.NET 3: 115 650 000 forint (300 000 EUR)
- EJP RD: 115 650 000 forint (300 000 EUR)
- JPI AMR-ACTION: 115 650 000 forint (300 000 EUR)
- FOSC ERA-NET: 77 100 000 forint (200 000 EUR)
- ICT-AGRI-FOOD ERA-NET: 77 100 000 forint (200 000 EUR)
- TRANSCAN3: 115 650 000 forint (300 000 EUR)
- JPCofuND: 115 650 000 forint (300 000 EUR)
- NEURON ERA-NET: 115 650 000 forint (300 000 EUR)
- EIG CONCERT Japan: 115 650 000 forint (300 000 EUR)
- V4-Japan: 154 200 000 forint (400 000 EUR)

A fenti források az egyes alprogramok között átcsoportosíthatóak, figyelemmel a benyújtott támogatási kérelmek nemzetközi elbírálás során megítélt összegére.

Beadási határidők: 2025. április 30., június 30 és szeptember 30. 16 óra.

A támogatási kérelem benyújtására csak olyan pályázó jogosult, aki:

- a mindenkori európai partnerség értékelési rendszere alapján előzetesen támogatásra javasolt közös nemzetközi projekt konzorciumának magyar tagja, vagy
- a mindenkori európai partnerség értékelési rendszere alapján támogatásra javasolt közös nemzetközi projekt konzorciumához utólagosan csatlakozó magyar résztvevő.

További információ: [1.2.2 era net](#)

Leakey Foundation Research Grants

This program funds multidisciplinary research related to human origins, including dissertation research and exploratory studies. Disciplines supported include but are not limited to archaeology, biological anthropology, paleoanthropology, primate behavioral ecology, genetics, geology, anatomy, morphology, paleobotany, and paleoclimatology.

The disciplines supported include archaeology, biological anthropology, paleoanthropology, primate behavioral ecology, genetics, geology, anatomy, morphology, paleobotany, and paleoclimatology.

Our current funding focus areas include:

- Paleoanthropology of the Miocene, Pliocene, and Pleistocene
- Primates: Evolution, behavior, morphology, ecology, endocrinology, genetics, isotope studies
- Modern hunter-gatherer groups

When to apply?

- January 10 for spring cycle
- July 15 for fall cycle

Amounts

- Up to \$20,000 for PhD candidates
- Up to \$30,000 for post-PhD researchers

Who can apply

- Your research must be relevant to human origins and evolution.
- Applications are open to advanced doctoral students or post-PhD researchers.
- PhD students must be advanced to candidacy (all but dissertation).
- There are no citizenship requirements. Applications are open to candidates from anywhere in the world.
- Applicants must be affiliated with an institution such as a university or museum. We do not give directly to individuals.
- Resubmittals are welcome and encouraged.
- If you have received a Leakey Foundation grant in the past, you must complete all reporting requirements before receiving a new one.

Eligible expenses

- The grant can only be used for expenses directly related to your research and essential to the project such as travel, living expenses during fieldwork, supplies, and research expenses.
- Aid is not offered for salary and/or fringe benefits of applicant or senior project personnel, child care, equipment, travel to meetings, institutional overhead, publication costs, or institutional support.

Further information: <https://leakeyfoundation.org/grant/research/>

FELLOWSHIPS/SCHOLARSHIPS

A Japán Tudományfejlesztési Társaság posztdoktori ösztöndíja

A Magyar Tudományos Akadémia és a Japán Tudományfejlesztési Társaság (Japan Society for the Promotion of Science) együttműködése részeként az MTA minden évben javasolhat egy fiatal kutatót a japán partnerszervezet posztdoktori ösztöndíjára. A JSPS támogatását elnyerő fiatal kutató a program keretében 12-24 hónapot tölthet el egy japán kutatóhelyen posztdoktori kutatóként.

Az idei felhívás az MTA honlapján, az aktuális pályázati kiírások között itt található: <https://mta.hu/aktualis-palyazati-kiirasok/felhivas-a-jsps-posztdoktori-palyazatan-valo-reszvetelre-112724>

A kiírás szövegében minden további információt megtalálnak a pályázat benyújtásával kapcsolatban.

A pályázásra azok a kutatók jogosultak, akik az ösztöndíj kezdetekor már meglévő, de 2019. április 2-ánál nem korábban szerzett doktori fokozattal rendelkeznek. A 12-24 hónapos ösztöndíjra szóló felhívás minden tudományterületre vonatkozik. A jelentkezők pályázati anyagukat az MTA Titkársága Nemzetközi Kapcsolatok Osztályára nyújthatják be 2025. május 16-ig.

Federation of European Biochemical Societies (FEBS) fellowships

The FEBS Fellowships programme is a highly competitive and respected programme for early-stage researchers. Most of its schemes over the years have supported graduate students and early-career researchers in the molecular life sciences in the FEBS area to move to and carry out a period of research in a lab in a different FEBS country, thus broadening their experience and training, giving access to additional research techniques and expertise, and facilitating international collaboration.

Types of FEBS fellowships:

- Short-Term Fellowships are for scientists who have obtained their PhD degree within the past six years, and PhD students who have at least one published paper as a main author in an international scientific journal. Applications may be made at any time, but an application should be submitted at least three months before the proposed starting date
- Summer Fellowships are for PhD students and Master's students. Apply by 1 April each year (the call normally opens in February).
- Ukrainian Short-Term Fellowships are for active molecular life scientists from Ukraine who have a PhD. Apply any time.

Further information: <https://www.febs.org/funding/fellowships/>

CALLS FOR EXTERNAL EXPERTS

Horizon Europe: Health Experts and Rapporteurs Needed for Upcoming Evaluations

The European Commission funds research and innovation projects in the field of health under Horizon Europe Cluster 1 'Health' and the EU Mission on Cancer, both managed by the European Health and Digital Executive Agency (HaDEA).

To evaluate project proposals competing for EU funding in 2025-2027, HaDEA is looking for independent professionals with knowledge and experience in one of the following (or related) areas:

- **Artificial Intelligence (AI):** human-AI interaction, ethical AI, trustworthy AI, machine learning, large language models (LLMs), physics-informed neural networks (PINNs), computer science, data science, algorithms, modelling;
- **Clinical trials:** pre-clinical models, cell therapy, cell secretome-based therapy, regenerative medicine, gene therapy, gene editing, gene expression, synthetic biology, genetics, epigenetics, viral and non-viral vectors, advanced therapy medicinal products (ATMP), good manufacturing practices (GMPs), genetically modified organisms (GMOs), managed equipment services (MES), quality management systems (QMS);
- **Environmental science:** exposure science, materials science, toxicology, micro- and nano plastics, analytical chemistry, risk assessment;
- **Medical devices:** orphan devices, orphan drugs, drug development, pharmacology, magnetic resonance imaging (MRI), nuclear imaging, health technology assessment (HTA), policy and regulation, statistics, biomedical engineering, bioethics, diagnostics;
- **Diseases:** (Rare) metabolic disorders, rare diseases, neuroscience, psychiatry, clinical psychology, mental health, neurology, epidemiology, non-communicable diseases (NCDs), cardiovascular diseases (CVDs), infectious diseases, pandemic preparedness, public health, digital health;
- **Cancer:** medical oncology, paediatric oncology, translational medicine, geriatrics, nutrition, quality of life;
- **Medicine:** general medicine (doctor, practitioner, general practitioner, nurse, clinician, researcher), social services, patient advocacy;
- **Health systems:** health care research, health finance, health economics, environmental sustainability of health systems;
- **Pre-commercial procurement:** innovation procurement, public procurement of innovation, healthcare procurement;
- **Communication:** writing, journalism, communication.

If you are interested and you have an excellent command of written and spoken English, please register at the [European Commission's expert database](#). You must have an excellent command of written and spoken English.

[Further information](#)

Felhívás pályázati értékelő szakemberek részére – Tempus Közalapítvány

A Tempus Közalapítvány pályázatot hirdet a közalapítvány által kezelt pályázatok bírálatában való részvételre a köznevelés, felsőoktatás, felnőtt tanulás, szakképzés, ifjúság, sport területek valamelyikén dolgozó, tapasztalt szakemberek részére.

A pályázaton olyan magánszemély vehet részt, aki legalább B2-es szintű, aktív olvasás- és íráskészséggel rendelkezik angol nyelvből (az egyes feladatokra való felkérések kapcsán előnyt jelent további EU nyelv(ek) legalább B2 szintű ismerete), a pályázat beadásakor elfogadja a szakértőkre vonatkozó jogokat és kötelezettségeket.

Szakértői feladatok: Pályázat értékelés, időközi / részbeszámoló értékelés, záróbeszámoló értékelés, preventív monitoring, monitoring látogatás.

Pályázatot benyújtani folyamatosan lehet, a pályázatok bírálata az alábbi technikai jellegű határidők után történik:

- 2025. május 15., csütörtök 23:59 óra
- 2025. szeptember 4., csütörtök 23:59 óra

A CETP pályázatértékelők jelentkezését várja

A CETP (Clean Energy Transition Partnership) Call Management-je szakértői adatbázist hoz létre a következő évek értékelőinek kiválasztására.

Jelentkezési határidő nincs, a CETP Call Management folyamatosan várja az érdeklődőket, 7 kutatási területen: nulla kibocsátású integrált energiarendszerek; energiatermelési célú megújuló energiatechnológiák; klímasemlegesség megvalósítása megújuló üzemanyagokkal és tárolási technológiákkal (CCUS, termálenergia, hidrogénteknológia); hatékony nulla kibocsátású hűtési és fűtési megoldások; integrált regionális energetikai rendszerek; integrált ipari energetikai rendszerek; tiszta energia integrálása az épített környezetbe.

Bővebb információk a kutatási területekről: [Transition Initiatives \(TRIs\) | CETPartnership](#)

Jelentkezni első körben az NKFIH CETP nemzeti kapcsolattartójánál lehet (monika.jozon@nkfih.gov.hu).

NEWS

Pályázati konzultációs lehetőség az NKFIH Nemzeti Kapcsolattartó Pontjaival

Hamarosan megjelennek a Horizont Európa keretprogram 2025. évi új felhívásai, ezért az NKFIH Nemzeti Kapcsolattartó Pont (NCP) csapata pályázati konzultációkat szervez 2025. márciusától folyamatosan kutatócsoportok, cégek, szakmai szervezetek részére.

A konzultáció eredményeként személyre szabott pályázási tervet és a konzorciumi partnerkeresésében jelentős segítséget nyújtó értékeajánlatot (value offer) készítenek a résztvevőknek.

Konzultáció kérése: az ncp@nkfi.gov.hu e-mail címen, KONZULTÁCIÓ tárgyat megjelölve.

A jelentkezések beküldése folyamatos.

Annak érdekében, hogy a konzultációkra megfelelően felkészülhessenek, az NKFIH az kéri, a konzultációra jelentkezést kezdeményező e-mailben tájékoztassák őket röviden az alábbiakról:

- Mely tématerület, kutatási terület érdekli Önöket? (angol nyelven)
- Milyen egyedi szakértelemmel, technológiával, módszertani tudással, eredményekkel, infrastruktúrával szeretnének hozzájárulni a Horizont Európa keretében megvalósuló együttműködéshez? (rövid, pontokba szedett összefoglalás angol nyelven)
- Hazai pályázati tapasztalat (pályázattípus, cím, évszám)
- Nemzetközi pályázati tapasztalat (pályázattípus, cím, évszám, szerepkör)

Kéri, hogy ne csatolt file-t küldjenek, az információt az e-mailben jelenítsék meg.

Digital Europe Programme (DIGITAL) Work Programme for 2025 to 2027 is Adopted

The [work programme](#) focuses on the deployment of Artificial Intelligence (AI) and its uptake by businesses and public administration, cloud and data, cyber resilience and digital skills.

The upcoming DIGITAL calls are expected to be released in April 2025, with additional calls published through the rest of the year.

6. klaszter – Élelmiszerek, biomassza alapú gazdaság, természeti erőforrások és környezet 2026-27-es munkaprogram véleményezésére van lehetőség

Az Európai Bizottság összeállította a Horizont Európa 6. klaszter – Élelmiszerek, biomassza alapú gazdaság, természeti erőforrások és környezet 2026-27. évi munkaprogramjának tervezetét. Az NKFIH közreműködésével lehetőség nyílik arra, hogy szakértői vélemények figyelembevételével alakuljon ki az ezzel kapcsolatos magyar álláspont.

A szakmai véleményezési igényt e-mailben lehet jelezni Genzler Noémi (ncp@nkfi.gov.hu) részére.

The European Commission has published a new version of the Annotated Model Grant Agreement (AGA)

An update of the Annotated Model Grant Agreement (AGA) v2.0 has been published. It is available on the Portal's webpage for HE reference documents at:

https://ec.europa.eu/info/funding-tenders/opportunities/docs/2021-2027/common/guidance/aga_en.pdf.

The AGA serves as a guide to the Model Grant Agreement (MGA), the standard document for contracts concluded between the European Commission or its executive agencies and beneficiaries supported under EU programmes. The AGA illustrates each article of the MGA with explanations and examples.

The details of the update are listed in the 'History of changes' (p.4 of the AGA), with the new changes in substance marked with green square.

Please note that it includes updates of cross-references to the new EU Financial Regulation 2024/2509 (recast) and includes new clarifications under Articles 6.1 and 6.2.A, amongst other provisions.

Shaping the future of the EU together: the Commission sets out the road to the next EU long-term budget

The European Commission published a Communication on 'The Road to the next Multiannual Financial Framework'. It outlines the key policy and budgetary challenges that will shape the design of the next Multiannual Financial Framework (MFF). This lays the groundwork for reflections on how to adapt the EU's long-term budget to evolving needs and priorities. With this Communication, the Commission also launches in parallel a Europe-wide campaign with a range of stakeholders, including Member States governments, regional entities, and citizens.

The EU budget benefits all Europeans, and they should have the opportunity to express their views on the future of the EU budget. That is why the Commission launches a public consultation inviting stakeholders and citizens to have their say on the future EU budget and the policies it should support. The consultations will be open until 06 May 2025. They can be accessed via the following links:

- [Implementing EU Funds with Member States and regions](#)
- [EU funding for competitiveness](#)
- [EU funding for external action](#)
- [EU funding for cross-border education, training and solidarity, youth, media, culture, and creative sectors, values, and civil society](#)

Funders launch online resource to help researchers navigate narrative CV's

The Peer Exchange Platform for Narrative-style CVs (PEP-CV) is a resource for the research and innovation community developed by a partnership between funding agencies and researchers. The

goal of PEP-CV is to become a platform for everyone active in the research and innovation sector to engage in simple peer mentoring exchanges to discuss how to best present a diverse range of experiences, achievements, and career paths in all types of narrative-style CVs.

WORKSHOPS

Two-factor authentication (Funding and Tenders Portal) webinar

In an ongoing effort to enhance digital security and protect user data, enabling two-factor authentication (2FA) on your EU Login account to access the Funding & Tenders Portal services is strongly recommended and will become mandatory in the course of 2025 (exact date to be confirmed). It is therefore very important to be prepared for this transition!

This webinar will take place on **29 April 2025**. All the details are available in the [event page](#)

Horizon Europe info days - Cluster 4

The event aims to inform potential applicants about the funding opportunities within the Work Programme 2025 of the Horizon Europe Cluster 4 'Digital, Industry and Space'.

Date: 13 May 2025 - 14 May 2025, 09:30 (GMT+02:00)

Speakers from the European Commission will provide detailed insights into the call topics, evaluation and award processes. Attendees will have the opportunity to pose questions about new developments and learn how to draft successful proposals.

Draft Agenda

13 May 2025

Horizontal issues of Work Programme 2025

Destination 1: Climate neutral, circular and digitised production

Destination 2: Increased Autonomy in Key Strategic Value Chains for Resilient Industry

Destination 5: Open Strategic Autonomy in Developing, Deploying and Using Global Space-Based Infrastructures, Services, Applications and Data

14 May 2025

Destination 3: World-leading Data and Computing Technologies

Destination 4: Digital & Emerging Technologies for Competitiveness and Fit for the Green Deal

Destination 6: A human-centred and ethical development of digital and industrial technologies

Application and evaluation process

Horizon Europe info days - Cluster 2

The information day aims to inform (potential) applicants about topics included in the Cluster 2 'Culture, Creativity and Inclusive Societies' work programme for 2025.

Date: 15 May 2025, 09:30 (GMT+02:00)

Under the Pillar 2 of Horizon Europe, Cluster 2 "Culture, Creativity and Inclusive Society" aims to meet EU goals and priorities on enhancing democratic governance and citizens participation, on the safeguarding and promotion of cultural heritage, and to respond to and shape multifaceted social, economic, technological and cultural transformations.

Cluster 2 mobilises multidisciplinary expertise of European social sciences and humanities (SSH) for understanding fundamental contemporary transformations of society, economy, politics and culture. It aims to provide evidence-based policy options for a socially just and inclusive European green and digital transition and post-COVID 19 recovery. Future projects should deliver on the three intervention areas matching the Horizon Europe Strategic Plan (2025-2027):

- Green transition
- Digital transition
- A more resilient, competitive, inclusive and democratic Europe

All topics under this Cluster are expected to mainstream Social Sciences and Humanities and to include a gender dimension.

+ Brokerage Event: The online brokerage event organised on 16 May 2025 will be dedicated to consortium building in Cluster 2: "Culture, Creativity and Inclusive Society".

Horizon Europe Research Infrastructures info day

This is an information event targeted to potential applicants to the 2025 calls of the Horizon Europe Research Infrastructures work programme 2025, for its main destinations. The info day will focus on the 2025 calls of the Horizon Europe Research Infrastructures work programme 2025, for its main destinations.

First, INFRADEV, which aims to develop, consolidate and optimise the European research infrastructures landscape, and maintain global leadership.

Second, INFRAEOSC, with the objective to enable an operational, open and FAIR European Open Science Cloud ecosystem.

Third, INFRASERV, with the objective to support transnational access to state-of-the-art facilities for researchers, relevant for a large research domain or in support of societal challenge and EU priorities.

Fourth, INFRATECH, aiming to contribute at developing the next generation of scientific instrumentation, tools, methods, and advanced digital solutions for Research Infrastructures.

The info day will also offer horizontal information on the submission, evaluation and management of the 2025 Research Infrastructures calls. In addition, the Q&A sessions will give participants the opportunity to ask any remaining questions.

The Info Day will take place on **19 May 2025** and will be online only.

Horizon Europe info days - WIDERA Work Programme 2025

The infoday aims to inform interested applicants about calls in the new WIDERA Work Programme 2025.

Date: 20 May 2025, 09:00 (GMT+02:00)

Further information: <https://research-innovation-community.ec.europa.eu/events/01QHd1MW6tFfr16XBGbMyo/overview>

Horizon Europe info days - Cluster 6 Food, Bioeconomy, Natural Resources, Agriculture and Environment

The info day aims to inform (potential) applicants about the topics included in the Cluster 6 work programme of 2025.

Date: 20 May 2025 - 21 May 2025, 09:00 (GMT+02:00), online

The event will cover:

- Insights into the policy context
- A 'key-to-success' session focused on guidance and tips for quality proposals
- Pitches for each of the topics from the Work Programme 2025
- A dedicated session on co-funded partnerships

Further information: <https://research-innovation-community.ec.europa.eu/events/6ILZRxBKVsWnjEtjwhVyl/overview>

Horizon Europe info days - Cluster 1

The info day aims to inform (potential) applicants about the topics included in the Cluster 1 'Health' work programme of 2025.

Date: 22 May 2025, 09:00 (GMT+02:00)

Under the pillar 2 of Horizon Europe, Cluster 1 focuses on Health and aims to deliver on the following six destinations matching the Strategic Plan:

- Staying healthy in a rapidly changing society
- Living and working in a health-promoting environment
- Tackling diseases and reducing disease burden
- Ensuring access to innovative, sustainable and high-quality health care
- Unlocking the full potential of new tools, technologies and digital solutions for a healthy society
- Maintaining an innovative, sustainable and globally competitive health-related industry

The [online Brokerage event](#) organized on 5-6 May 2025, will be dedicated to consortium building in Cluster 1 Health. The Brokerage event is organized before the Cluster 1 Health Info Day in order to give potential applicants more time to find potential partners and prepare their application.

Horizon Europe - Marie Skłodowska-Curie Actions (MSCA) Doctoral Networks 2025 - Call info day

Information event for the MSCA-DN-2025 call for proposals which will open on 28 May 2025.

Date: 24 June 2025, 09:30 (GMT+02:00)

The Doctoral Networks are a key part of the [Marie Skłodowska-Curie Actions](#) under the Framework Programme Horizon Europe. There are three different implementation modes: Standard Doctoral Networks (DNs), Joint Doctorates (JDs) and Industrial Doctorates (IDs).

The MSCA 2025 Call Info event aims at informing all potential applicants and stakeholders about all important requirements for 2025 and promoting the ID and JD modes.

It will be an online event, which will be opened with a welcome address and some introductory remarks, followed by the main presentation of the DN-2025 call. After a short coffee-break, a live Q&A session will take place through Slido.
